**St. Ignatius Senior High School**                                                           Singkawang, Indonesia
*Mathematics and Natural Sciences*                                                            *Jul. 2020 – May 2023*

## EXPERIENCE

**Bina Nusantara University**                                                                 Jakarta, Indonesia
*Freshmen Leader*                                                                             *Aug. 2024*
- Coordinated with the Freshmen Leader team and FYPL to welcome, guide, and mentor first-year students during their campus orientation at Bina Nusantara University.

*Freshmen Partner*                                                                            *Sep. 2024 – Jul. 2025*
- Mentored freshmen throughout their first year, guiding campus adaptation and soft skill development.

**Keluarga Mahasiswa Katolik Binus**                                                          Jakarta, Indonesia
*Activist of Arts and Sports Division*                                                        *Nov. 2023 – Nov. 2024*
- Oversaw the planning and execution of weekly sports activities, coordinating schedules, preparing facilities, and managing equipment to ensure smooth operations and team engagement.

*Vice Coordinator of Arts and Sports Division*                                                *Dec. 2024 – Present*
- Assisted in coordinating task delegation among activists to secure musicians for KMK Friday events and prepare logistics for KMK Sports Day.

**Binus Student Learning Community**                                                          Jakarta, Indonesia
*Activist of IT Support*                                                                      *Dec. 2024 – Present*
- Designed and developed the User Interface (UI) and User Experience (UX) for the main BSLC website.
- Oversaw event project management by handling key documentation (proposals, MoUs, and activity plans) and leading cross-functional teams in the successful execution of 3+ events.

## PROJECTS

**Asphatl9: ReJends** | *Figma, HTML, CSS, Javascript*                                        May 2023
- Redesigned *Asphalt 9: Legends* website using Figma to improve UI/UX and visual consistency.
- Developed a responsive website using HTML, CSS, and JavaScript with an original design distinct from the Figma and Asphalt 9 redesign.

**MathOLearn** | *Figma, React.js, CSS*                                                       Jun 2025
- Served as Project Manager, leading a team in developing a web application using React.js and CSS.
- Oversaw UI/UX design in Figma and managed feature delivery timelines using the Scrum framework.
- Collaborated with the team by contributing to both design and development to ensure successful project execution.

**Redesign BSLC's Main Web** | *Figma*                                                        Jun 2025
- Collaborated on designing a new User Interface (UI) and User Experience (UX) using Figma.
- Contributed to the implementation of new design elements on the website.
